**Important Notice - Upcoming Disruption to IT & Phone Services**  
**Friday 7th November, 2014**

**What's happening?**

Our school will have a disruption to computer and phone services that may last the whole day on **Friday 7th November, 2014**. The purpose of this 'outage' is to connect the school to its new ‘ip address range’ – which will mean access to more efficient and cost effective IT services for the Parramatta diocese as a whole.

**FROM THE LEARNING CENTRE**

A very warm welcome back to our last term of our Parent Tutor Program which commenced again in week 2, Monday 13th October.

Thank you so much to our wonderful team of Parent Tutors who give up their time each week to tutor our students. Without your constant dedication this program would not be possible.

If there are any parents/grandparents with 40mins a week to spare and would like to tutor a student, please contact Cathy or Therese at the Learning Centre. We would love to hear from you! No experience is necessary, as training will be provided.

We sincerely thank you for your continued support.  
Have a happy term!
