Religion

“Servant Leadership”
- In this unit the students will explore the scriptural foundations of the Christian concept of servant leadership witnessed in the actions of Moses and the teachings and example of Jesus. As school leaders the children will be encouraged to apply the Christian ideals of leadership within their family, school and community.

Lent Year B: Practices and Promises
- In this unit students identify and give examples of 3 forms of Lenten penance, research examples of Old Testament covenants, commandments and laws, describe how God established a covenant relationship with the people of Israel through Moses and explain the importance of the 10 Commandments. They will propose ways in which their relationship with God and others can be renewed this Lent.

The Story of the Australian Catholic Church
- This unit will explore our Australian Catholic heritage. It will develop the students’ understanding and appreciation of some significant characters and events that have shaped the identity and growth of the Catholic community in Australia.

Crossroads
- In this unit students explore situations in their lives when they are faced with making decisions. Students will study key Gospel accounts of incidents during Jesus’ passion and death which demanded decisions of Jesus and others. Insights will be related to the students own critical reflection on their personal decision making.

Mathematics

Number and Algebra:
- Orders, reads and represents integers of any size and describes properties of whole number
- Selects and applies appropriate problem solving strategies, including the use of digital technology in understanding investigations.
