## Dear Parents and Carers,

Welcome to week 10 of Term 3. Amazingly our first full term at school for 2020! It has certainly been an interesting year so far as we experience being part of a pivotal point in history.

The inspiration for my newsletter articles is often influenced by my discussions with parents, teachers and students and this week is no exception.

Last Thursday morning I was the recipient of eight very persuasive arguments on ways the school could be made better. The arguments put forward were well presented with research to support the ideas discussed and were delivered with passion and zeal.

The presenters - Anthony, Nathan, Jordan, Charlotte, Sydney, Alex, Jazz and Anika were great advocates for Year 4 in representing the work being done in class.

Their ideas for St Monica's included updating and further integrating technology to keep pace with 21st century learning, different interest clubs at school to engage the students in a variety of learning opportunities, the introduction of chickens to complement the veggie garden, a therapy dog, updating the handball courts to improve the recent handball competition and expand the ways we can get children to connect and work together and even introducing a recycling program that could potentially earn the school \$700 a year to put towards other ideas.

The discussion held after the 'pitch' about their ideas was very impressive! All are 'doable' and many are already in the pipeline for next term and into 2021. I always feel encouraged and buoyed by the enthusiasm and intellect shown by the next generation of our

community and know that we will continue to have active citizens making the world a better place.

## "Tell Them From Me" (TTFM) Survey.

As a school we are now reviewing the information received from the recent TTFM survey. The reports have now been received at school and in Term 4 we will share the feedback. We had 47 families respond to the survey to assist us with understanding better the parents' experience and perceptions of school. The survey also included the student and staff perspectives.

## 2020 St Monica's Handball Competition

Over the last fortnight Madeline and Nate from Year 6 saw their vision for a handball competition at school become a reality.

At assembly we congratulated our first handball champions listed below and I congratulate Madeline and Nate for their support and encouragement and for organising a well supported tournament. Year 6 Reegan

Year 5 Kane Year 4 Alara

Wishing you a wonderful break over the holidays ahead.

#### SCHOOL LEAVERS

We are planning for the 2021 school year and to help us with this please let the office know if your family will not be continuing at St Monica's in 2021. A reminder to families that a term's notice (10 school weeks) in writing MUST be given to the principal before the removal of a student or a full term's fees will be payable. The notice can be given any time during the term for the next term and where appropriate notice has been received, a pro-rate credit will be calculated. Where a term's notice has not been given to the principal, the term's school fees will be charged for your child/children.

#### SCHOOL FEES

#### Changes to Family Levy

We advise that your school fee statement may look a little different next year. You will notice that the Resource Fee has increased and there is no longer a Family Levy as the Family Levy and Resource Fee have merged. In the majority of cases this has little or no impact. For families with 3 or more students there will be a slight increase in the combination of these fees. For 2021 there will be no increase in diocesan tuition fees or the building levy and therefore you will find that the total school fees increase is within the bounds of normal annual increases. Contact the school office if you require any further information.

## Our St Monica's Staff will be walking for a cancer free future!

We're (The wonderful Staff from St Monica's School Richmond) taking on the 7 Bridges Challenge (or 2 bridge Hawkesbury Challenge from Windsor to North Richmond Bridge) this October and will be joining thousands as we conquer 28km for a cancer free future!

It's more important than ever to come together this year to raise funds for people impacted by cancer. Every year in NSW alone, more than 47,000 new cases of cancer are expected to be diagnosed and the impact on families, carers and communities is significant.

Please sponsor us and help those affected by cancer. Every step counts because all funds raised will help Cancer Council work towards the vision of a cancer free future. Thank you for your support!

#### E-SAFETY

In an increasingly digital world, we need to ensure all students have the skills and confidence to engage online safely and enjoy the many positive benefits of the internet.

During the holidays many children will be engaging positively online however as parents we need to be mindful that our children are aware of what to do if they encounter content that makes them uncomfortable or troubled by. Below are some tips from the e-safety commissioner in assisting children dealing with exposure to harmful content online

- Engage in your child's online activities ask what apps, sites and games they're using and make sure they're age-appropriate
- Use parental controls on devices to help limit what your child is exposed to
- Help them report and block upsetting content they see on social media sites or apps
- Let them know they can come to you about anything upsetting they see online.

If you do encounter harmful or disturbing content online, you are asked to report it immediately to the social media platform it was seen on first, and then to eSafety at <u>esafety.gov.au/report/illegal-harmful-content.</u> We also urge you to take a look at the esafety web page as it is a great resource for advice on having safe and positive experiences in the online world. <u>Esafety.gov.au</u>.

#### **FIRST COMMUNION**

Congratulations to all our students who have received First Communion over the last two weeks and to those making theirs this weekend. May God continue to bless them as they receive Jesus for the first time.

## COVID - 19

Thank you to everyone who has continued to assist the school in following our procedures for school drop off and pick up during the term.

Below is a reminder of the protocols. If you have arranged for a relative or friend to pick your child up please ensure that they are aware of the procedures.

Thank you again for your cooperation.

• In the morning parents say goodbye to children at the front school gate in Francis Street.

• In the afternoon at the first bell (3:05pm) we will again open the school for pick up. The front school gate (Francis St) for children in K-3 and side gate (Bourke St) for children in Years 4-6. All students will be seated outside the eldest child's dismissal area.

This is done to assist us with limiting the movement of adults inside the school grounds.

Adults are asked not to congregate inside the school grounds but exit the playground promptly to ensure social distancing rules are maintained.
