Week 4 Term 4 3rd November – 17<sup>th</sup> November 2020

### Dear Parents and Caregivers,

Welcome to our newsletter for week 4. The term is flying along and since I last wrote we have had a very successful book week. As part of our book week activities children were asked to contribute art or writing pieces for our theme Curious creatures / wild minds. There were an amazing array of entries. Two St Monica's students chose to write a book titled "Midnight Mummy" They brainstormed, wrote, edited, rewrote, illustrated and published their work. They were very proud of their book and shared it with me. However, after reading their story I thought it would be a great idea if more could share the story and so we now will have a section in our library for books published by students. Those authors are Jack and Lachlan from Year 2. I hope that this is not their last collaboration together and that we see many more stories begin their journey in our school library. Congratulations Lachlan and Jack.

Next week we will celebrate NAIDOC week. The theme for this year is *"Always Was. Always will Be."* 

The theme has been developed to shine a focus on the length of Aboriginal and Torres Strait Islander occupation of Australia and seeks to get teachers, students and the community to explore, learn about, and appreciate the wealth and breadth of Indigenous Nations, languages and knowledge of our continent.

Looking forward to next year I take this opportunity to share that in 2021 St Monica's will be working in collaboration with Captivate (the creative and performing arts program for Catholic Schools in Parramatta Diocese) to have a band program for the students in Stage 3 (Years 5 and 6) This program will allow all students to learn to play an instrument and read music in a band setting developing their ensemble

awareness and skills. The program will run weekly. The teachers will accompany the classes and learn an instrument alongside the students. We look forward to some great music!

A very big thank you to all the parents who participated in the zoom meeting last Wednesday or who have listened to the recording regarding the move to Staged Learning in 2021 and beyond. We appreciate your contributions to the discussion and a copy of the questions asked and the responses will be sent home to parents this week.

Lastly thank you for all the kind words and yummy morning tea provided to celebrate World Teachers day last Friday. It was greatly appreciated and we value the partnership between parents and school that is forged along the journey of your child's education and time spent at St Monica's.

Wishing you a wonderful fortnight ahead.

Mrs Melissa Beggs Principal

> "Every saint is a message which the Holy Spirit takes from the riches of Jesus Christ and gives to his people."

Monday November 16	Jenny Hopper & Beverly Owens	
Thank you 😇		

### VINNIES CHRISTMAS APPEAL

Our school community will once again support the Richmond branch of St Vincent de Paul in their Christmas Hamper Appeal. Each class will be given a washing basket and students are encouraged to bring in grocery items that are not perishable, personal items such as shampoo, soap, or deodorant. The people who will be given these items do not have children, so please, NO toys. Items such as canned fruit, tomatoes, pasta, rice and cereals would be

greatly appreciated. Thank you in advance for your generosity.

Leanne Ryan Religious Education Co-Ordinator.

### SCHOOL LEAVERS

We are planning for the 2021 school year and to help us with this please let the office know if your family will not be continuing at St Monica's in 2021. A reminder to families that a term's notice (10 school weeks) in writing MUST be given to the principal before the removal of a student or a full term's fees will be payable. The notice can be given any time during the term for the next term and where appropriate notice has been received, a pro-rate credit will be calculated. Where a term's notice has not been given to the principal, the term's school fees will be charged for your child/children.

### LOST PROPERTY

With the weather chilly in the mornings and heating up during the day children are taking their jackets and jumpers off and walking away. We have NUMEROUS jackets/jumpers with no names in our lost property. As uniforms can be expensive if you need to keep replacing them, we cannot stress the importance of putting

your child's name on their clothing, so it can be returned to them.

### **BRYNORMS UNIFORM SHOP**

Due to COVID-19 Social Distancing requirements, our store capacity this year is going to be significantly reduced compared to our normal peak season. We will be **limiting customer numbers to 12** at a time instore. We are aware that this has the potential to cause significant wait times and inconvenience for our customers. As maintaining the safety of our customers and staff during COVID-19 is of paramount importance to us, we are currently planning strategies to assist us to minimise customer wait times, and ask for your consideration and support of the following measures.

We would like to encourage our customers - especially Kindergarten to consider purchasing their uniforms during Term 4, rather than waiting for the peak season of January to February. You can now make a fitting appointment online so that we can better control the numbers at the shop. For customers who may be concerned about size change during this time, we will be happy to extend our normal exchange period to the commencement of the 2021 school year.

Due to COVID-19 Social Distancing requirements and subsequent reduced customer capacity, we are also requesting that only **one parent/caregiver** attends the store with any children who need to be fitted for uniforms. This will allow us to serve more families in a timely manner.

Online ordering is also available. Once the items are ready to collect, you can pick them up at the side door.

We appreciate your support and understanding during these challenging times, and will continue to ensure exceptional customer service in a safe environment as our priority.

#### <u>Mufti colours.</u>

- <u>Kinder</u> Red
- <u>Year 1</u> Orange
- <u>Year 2</u> Yellow
- <u>Year 3</u> Green
- <u>Year 4</u> Blue
- <u>Year 5</u> Indigo
- Year 6 Violet

\*\*\* Please do not go to any expense for this day. If your child doesn't have the specified colour, a ribbon, a t-shirt, or something close to the colour will be fine. Students and staff of St Monica's Primary School, Richmond will celebrate Rainbow Day on Thursday 5<sup>th</sup> November. The purpose of this day is to raise funds to support the work of Mary MacKillop International.

Students from Year 5 have organised games, cake stalls, a White Elephant stall and have also made craft items that will be sold on the day of our Rainbow Day celebration. All students are asked to wear rainbow coloured mufti and join together to celebrate.

### \$3.50

Yrs 3-6 Wednesday10th November

### STAGE 3 BYOD ST MONICA'S 2021

### HAVE YOU CONSIDERED A CHROMEBOOK FOR YOUR CHILD ENTERING YEAR 5 AND 6 IN 2021?

#### What is a Chromebook?

A Chromebook is a personal computer that has the Chrome OS operating system. Anything you can do with the Google Chrome browser, you can do with a Chromebook.

No need for updates or software, with a Chromebook you can just charge it up, open the lid and start using it right away.

#### What's the difference between a Chromebook and a laptop?

Physically, a Chromebook and a Windows laptop look very similar. Both are notebooks with a keyboard, a camera, a built-in screen, and usually include a trackpad. Many Chromebooks have touchscreen displays, and the ability to convert to tablet form.

Chromebooks are far less complex. They run Chrome OS, which is based on the Chrome web browser.

Chromebooks are also designed to save your documents online in the 'cloud', using Google Drive, which means their lifespan is longer as they won't slow down due to lack of space in storage like laptops.

### Is a Chromebook better for school work?

A Chromebook is a good choice for a student that is primarily using the computer for web browsing, word processing, or streaming video and audio. Storage isn't a problem as students store their files with Google Drive.

Chromebook Bundle: Lenovo 100e (Non Touch) + Google Management Console

Pricing Includes Lenovo 100e Chromebook (Non Touch) + Google Management Console

From: \$396.00 To: \$436.00 Price as configured: \$396.00

A Chromebook is also a great low-cost option. Through our CEDP supplier, Chromebooks are available to purchase for \$436 (includes the Google Management console)

For school work, the Chromebook is a winner with access to the complete G-suite of applications.

Students can complete work with Google Docs and share this straight from the Chromebook to their teacher or parent, no printing necessary. The Microsoft Office suite is also available online, so students can create Word documents etc with ease.

The Chromebook is also a hard device to break.

It is interesting to note that Bede Polding College has now purchased a large collection of Chromebooks to use with their students in 2021. It is becoming the device of choice for many secondary schools. Unless a student requires sophisticated software to create/facilitate highly technical IT demands, a chromebook is sufficient for all high school students' needs.

If you have any further questions, please do not hesitate to contact me on Iduval@parra.catholic.edu.au

#### Leanne Duval

### ompulsory schooling conferences

If school attendance does not improve, parents and sometimes their child, can be asked to attend a compulsory schooling conference. The conference, which will be run by the Catholic Education Diocese of Parramatta School Wellbeing and Attendance Officer, aims to help the school, parents and other agencies to further identify the issue impacting on a child's attendance. The outcome of a compulsory schooling conference is for the parties to agree to undertake certain actions to improve the child's attendance. These actions are agreed in writing.

### **Compulsory schooling order**

If previous attempts to resolve the issue of a child's attendance are not successful, legal compliance can be sought through an application to the Children's Court for a Compulsory Schooling Order. The aim is to assist a family and/or child to address the issues preventing satisfactory school attendance. This has the added enforcement of a Court's powers.

### Prosecution

If all attempts by schools, the Catholic Education Office and DEC regional support staff fail to improve a child's attendance, action can be taken in the Local Court with the result of fines being imposed up to a maximum of \$11,000.

# Further information is available from

Catholic Education Commission policy and information www.cecnsw.catholic.edu.au - search 'student attendance' or http://bit.ly/zdLonM

NSW Department of Education and Communities http://www.schools.nsw.edu.au/leavingschool/index.php

### Do you need an interpreter?

Interpreting services are provided where possible for parents and carers who do not speak or understand English well and for Deaf parents and carers who use sign language. For more information on interpreter services contact your school or phone the telephone interpreter service on 131 450. Ask for an interpreter in the required language and the interpreter will call the school and stay on the line to assist you with your conversation. You will not be charged for this service.

### Compulsory school attendance

### Information for parents

Since 1870, schooling has been compulsory in Australia. Unfortunately, for many children learning at school has been optional. The learning needs of some students have not always being adequately catered for in a traditional, one-size-fits-all approach to learning and teaching.

While schooling remains compulsory today, Catholic schools in the Diocese of Parramatta also want **learning to be compulsory** by delivering a schooling experience that caters to the needs, abilities and interests of each student. Our school leaders and teachers are working hard to ensure students receive a personalised, relevant and meaningful Catholic education.

There are many ways in which families can support their children to be prepared for learning at school. For example, by making school attendance a high priority in your family; by ensuring children get enough sleep, a good diet and regular exercise; by encouraging reading from an early age; by sharing the learning journey through an active involvement in your child's school, hobbies and extra-curricular activities, and so on.

Of course, in order for students to learn at school, they need to show up. In fact, it is illegal for school-aged children not to attend school. Even more troubling though, is the learning a child will miss if they do not attend school. If a student misses as little as eight days each term, by the end of primary school they will have missed over a year of learning.

This brochure outlines the compulsory attendance guidelines from the New South Wales (NSW) Department of Education (D&E)-guidelines that apply to our own Parramatta diocesan Catholic schools – and your responsibilities as a parent or carer.

Please take the time to read this important information and also to consider why schooling is compulsory... so children can be active and successful learners now and in the future.

Greg Whitby Executive Director of Schools

## NSW school attendance

In NSW school attendance is compulsory for children over the age of six years until the minimum school leaving age of 17 years. Students must complete Year 10 and after Year 10 (until they turn 17 years of age) students must be:

- in school or registered for home schooling, or
- in approved education or training (e.g. TAFE, traineeship, apprenticeship)
- in full-time, paid employment (average 25 hours per week) or in a combination of work, education and/or training

# What if my child has to be away from school?

If your child has to be absent from school, you must tell the school and provide a reason for your child's absence. To explain an absence parents and carers may:

- send a note or email the school
- telephone the school, or
- visit the school

Your school will inform you of the required procedures for notifying them.

# A small number of absences may be justified if your child:

- has to attend a special religious ceremony
- is required to attend to a serious and/or urgent family situation
- (e.g. a tuneral) is too sick to go to school or has an infectious illness

Children need to arrive to school and class on time. Lateness to school or leaving early from school must be recorded as a partial absence. Your school will inform you of the required procedures for late arrivals and early

departures from school

### Application for exemption

If you consider that it is in your child's best interests to be exempted from the legal requirement to attend school for any length of time, you must apply to the principal for an exemption. The school will provide an Application for Exemption from Attendance at School form, and assist you to complete it, if necessary. The principal will consider your application and decide whether to grant a Certificate of Exemption from Attendance at School.

## sponsibilities of the school principal

Principals help to ensure the safety, welfare and wellbeing of your child. They must also keep accurate records of student attendance. Principals are able to question requests for a child to be absent from school and are also responsible for deciding if the reason given for an absence is justified. Principals may request medical certificates or other documentation for long or frequent absences explained as being due to illness.

When absences are unexplained by parents, or explanations are not accepted by the principal, the school will work with parents to identify the reasons for non-attendance and put in place strategies so the child can return to school. Principals may ask support staff or other agencies to assist.

# What if my child continues to have unsatisfactory attendance?

It is important to understand that the NSW Department of Education and Communities (DEC), on behalf of the State Minister for Education, may take further action in cases where children of compulsory school age have recurring numbers of unexplained or unacceptable absences from school. The following actions may be taken in these cases:

### Attendance planning meetings

Parents, and sometimes their child, can be asked to attend a meeting with school personnel. The aim of the meeting is to help identify strategies to support the child and family and remove barriers to non-attendance. Other agencies may also be invited, if parents agree. The ultimate aim is to improve student attendance, in order to improve student learning outcomes.

The P & F Committee would like to invite you to an evening of gingerbread house building. The evening will be held in the **school hall** on **Wednesday 9<sup>th</sup> December** and begin at **6pm**. All you have to do is order a gingerbread kit, gather some family & friends, book a table and bring along some lollies to decorate. Families and children are most welcome.

<u>The gingerbread house kit includes</u>; 4 walls, roof, icing and a piping bag, board, cellophane and an instruction sheet. **Cost is \$24.00.** <u>Gluten Free is also available for</u> **\$28.50** 

Due to current restrictions on COVID – we are waiting on confirmation that this event will be able to go ahead. If it is not able to go ahead you will still receive your gingerbread kit to take home.

More information will be sent home in the coming weeks.

### COMMUNITY NEWS

Is your child in Years 4, 5 or 6? Are they fascinated about space? Do they want to have fun on Mars?

One Giant Leap Australia Foundation is offering a whole day, practical workshop – designing Mars Rovers, completing robot challenges and learning about the mission to Mars.
