**Term 2 Week 10 Tuesday June 28, 2022**

Dear parents and carers,

### Welcome to week 10!

Today at St Monica's we are celebrating a milestone for Kindergarten. Today they have been at school for 100 days. To celebrate they have dressed as 100 year old's, they have considered what it would be like to be 100, counted to 100 in a

variety of ways and shared their 100 days of learning with their parents, grandparents, family and friends. I wonder where

these bright young learners will be in 100 years and how they will share their talents and knowledge with the community?

Yesterday I also had the privilege to accompany Makalya (Stage 3) to the local radio station (Pulse FM) to discuss the Woolworths Junior Landcare Grant that she successfully applied for earlier this year. This was a further opportunity for Makayla to speak about what she has learned and the importance of 'having a go' and taking opportunities when you can to make a difference. Makayla's example has encouraged others in the school to also act upon their ideas. Makayla is a great role model to others and a wonderful example of the values we encourage and nurture at St Monica's.

Last week we participated in our first athletics carnival for 3 years. On a perfect sunny day the children, supported by their teachers and spectators ran, jumped and cheered each other on. It was fantastic to see the joy on the children's faces as they helped each other achieve their best and spurred each other on. Everyone was included! Thank you St Monica's for the high level of sportsmanship shown and we know that those who go on to the zone will continue to represent the school well. Best of luck to all our competitors.

Our awards for the winning house, age champions and event winners will be presented at our assembly this Friday.

Wishing you a wonderful holiday ahead
